

2010-2011 FIRST Lego League Team Application Form

Trinity is selecting up to 10 students, ages 9 - 14 to participate on a FIRST LEGO League Team. A student cannot turn 15 before January 1, 2011 to be eligible. We will participate in the regional competition in Cedar Rapids around December 11.

This year's challenge is "Body Forward". The team will work together to research and solve a real-world problem, present their research and solutions, and build and program a robot using the LEGO Mindstorms System.

It is very important that you attend ALL the meetings. Please check your schedules between now and December to see your commitment level. Missing more than 3 practices could result in dismissal from the team.

The team will be meeting from 7:10 to 8:10 AM on Tuesdays and Thursdays in the Resource room across from the Preschool room at Trinity Lutheran School.
