Recognition of 25 years should include a dinner in honor of the teacher, sponsored by the PTL or other group. An offering for the teacher will be taken.

Consideration at the time of retirement should be given similar to that for 25 years.

In calculating years of teaching ministry, all experience in Lutheran schools shall be counted. Years of service as a Director of Christian Education shall be included, if applicable.

Volunteers and support staff are to be recognized for the same milestones.
