

# JESUS WAS IN A SMALL GROUP. I'M JUST SAYIN'...

{ life change happens in small groups }

**REGISTRATION FOR Faith Families** – will be September 1 & 2 and September 8 & 9. Look for our table downstairs in the fellowship hall and join us as we begin our sixth year of Faith Families! Our first study will be, *Idols we never knew we had.*

We all worship! We all worship something or someone every day. In doing so, we make these objects our gods. Although, many people think of idolatry as a primitive practice of ancient cultures or third-world tribes, it's as big an issue in today's western world as it has ever been. In this study we will identify many present-day idols and be equipped by God's Word to avoid falsely worshiping them.

**What are Faith Families?** We are small groups with a format allowing us to get to know people in the pews around us a little better. We meet weekly through May. The groups study the same material. Pray for each other. Work together in service, both in the church and in the community. And enjoy much fellowship together. We celebrate as a large group twice a year. We are anxious to start again meeting new faces, studying together, and seeing what God has in store for each of us.

**Where will you be studying God's Word this year?**
