

# DISCOVER TRINITY

The Discover Trinity program is an introductory tuition waiver program designed exclusively for new families. The program is designed to ease families into a tuition based education.

The program details:

- 1<sup>st</sup> year—pay 25% of tuition costs (apply for the ILSTO)
- 2<sup>nd</sup> year—pay 75% of tuition costs (apply for the ILSTO)
- 3<sup>rd</sup> year—pay 100% of tuition costs (scholarships available)

Example:

Tuition x % = Total owed by family

\$4,500.00 x .25 = \$1,275.00 owed for tuition of 1 student in year 1

\$4,500.00 x .75 = \$3,275.00 owed for tuition of 1 student in year 2

Additional fees new families will be responsible for:

- Application fee (\$20.00 per application)
- Consumables fee of \$325 (per each K-8<sup>th</sup> student)
- Lunch fee (\$56.00 for a 20 meal ticket)
- Additional costs not covered under tuition (i.e. field trips, Life Skills, 3<sup>rd</sup>-8<sup>th</sup> grade assignment notebook, fundraisers)

Core Elements of the Program:

- The program is open to families seeking a Christ-Centered education.
- Enrollment will be done via an initial wait list and open up following registration of the traditional tuition-based students.
- 8<sup>th</sup> grade is exempt, unless the student is a part of a family entering TLS with students in other grades. All students in the family must be new to TLS.
- The program is extended to our preschool/alternative kindergarten families for their first two, full-time, years (Kindergarten & First grade). Only exception is if the preschooler has older siblings already attending TLS.
- It is expected of the "Discover Trinity" program that parents will participate in fundraisers and volunteering opportunities.
