Stewardship: Luke 22:11 – “Tell the master of the house, ‘The Teacher says to you, Where is the guest room, where I may eat the Passover with my disciples?’ ” Did Jesus really need this man’s Upper Room? If the man had refused to let Jesus use it would the work of salvation have been derailed? Of course not. But what an honor for the man who owned this room! It is likewise with us. The Lord needs none of us, but what an honor for God to choose to use our generosity in the work of His Church.

Church Kitchen Upgrade - The church kitchen is 55 years old. The sink is broken, there are no water shut off valves, the bottom cabinet door tracks are rusty, etc. The following contractors have given me bids on this project: Brown Plumbing, Plumb Supply, Duball Electric, Top Shop, and Kenny Smith. The total cost is \$9,439.18. Home Missionary has voted to set aside \$2,000 for this upgrade. Your donation is above your current giving. Your donation will be recorded on your giving statement. Return your check made out to Trinity Lutheran Church with a notation in the memo line "kitchen upgrade" to the church office or drop in the collection plate. When the funding is raised, the work will begin. Questions? Call Di Koehn at 396-7899.

TRINITY LUTHERAN SCHOOL

Whatever you do, work at it with all your heart, as working for the Lord.
(Colossians 3:23)

Thank you to L and E Basement waterproofing and concrete raising for your generous donation of repairing and sealing the crack in the boiler room foundation at Trinity Lutheran School. The crack allowed ground water and a small amount of fuel oil from an old underground pipe to enter the boiler room and cause an objectionable odor. With the repair and sealing this is no longer an issue and we thank you for your generous donation in solving this issue.

Now Enrolling! Trinity Lutheran School has openings for the 2019-2020 school year in preschool 3-year olds-8th grade, excluding 6th grade which is currently full. Call TLS today to learn more: 319-362-6952.
