**Stewardship:** John 10:27 – "My sheep hear my voice, and I know them, and they follow me." On their own, sheep are in great danger. They need a shepherd to guide them. The sheep know the Shepherd's voice, and we delight to go where He leads. Of course, the world, the devil, and our own sinful flesh want to pull us in another direction. Namely, they want to pull us in the direction of death. But following the Shepherd means life. So, no matter how difficult the path is that the Shepherd points out, let us follow Him!
