June 1, 2020

Dear Trinity Families,

We, the 8th grade class, held several fundraisers this year to raise money for our class trip. We also raised money by way of the healthy snack sales we've hosted over the years. Due to COVID-19, our class was unable to go on the class trip this year. While this was extremely disappointing for us, we would still like to donate the money to worthy causes. Here's what we've decided on:

1. The Trinity Bleacher Project- Two seats will be paid for by our class. We have many memories in these bleachers and know what a huge part they play in our many TLS activities.
2. The TLS Scholarship Fund- We have all been blessed by our time at Trinity and realize what a large role the scholarship fund plays in helping families cover tuition. Our class would like to help other families create the same memories we've been able to make over the years.
3. Camp Io-Dis-E-Ca- Camp has been impacted by COVID-19 and we would like to support it at this time. So many fun memories were made at camp during cross country meets and outdoor education. Trinity's connection to Camp Io-Dis-E-Ca was a tremendous blessing to us!

Our 8th grade class is thankful for your support this school year, whether it was by purchasing cookie dough at the Mid-Winter tournament, buying snacks at the healthy snack sale, putting money in the jars to dunk us, or praying for us. As we head out to different high schools, we take the love of our Trinity family with us. Thank you!

In Christ,

The 8th Grade Class of 2019-2020
